## Position Summary

Pro-Dent Laboratory Ltd. is seeking an experienced **Dental Laboratory Manager** to lead our **Cast Partial Department**. This is a key leadership role responsible for overseeing daily operations, managing workflow, ensuring quality standards, and supporting a team of skilled technicians.

### **Experience in cast partial frameworks is mandatory.**

The ideal candidate is a highly skilled technician with strong leadership ability, excellent problem-solving skills, and in-depth knowledge of removable prosthetics production.

## Key Responsibilities

- Oversee all daily operations within the Cast Partial Department
- Supervise, support, and mentor department technicians
- Review and assign incoming cases, ensuring efficient workflow and timely delivery
- Inspect and verify quality of cast partial frameworks prior to next production steps
- Coordinate with other departments for case planning, troubleshooting, and communication
- Maintain production schedules and ensure cases meet clinical and esthetic requirements
- Train new staff in department protocols, techniques, and quality expectations
- Implement and maintain quality control procedures and safety standards
- Communicate with management regarding staffing, inventory, and operational needs
- Assist hands-on with technical work when required (framework design, wax-up, metal finishing, etc.)

## Qualifications

- **Mandatory:** Minimum **3–5 years of hands-on experience in Cast Partial Department** (framework fabrication, design, and finishing)
- Previous leadership or supervisory experience in a dental laboratory strongly preferred
- Solid understanding of dental anatomy, occlusion, and removable prosthetics

- Ability to manage workflow and maintain accuracy under production deadlines
- Strong communication, organizational, and problem-solving skills
- Professional, reliable, and team-oriented work ethic
- Dental Technology diploma or equivalent experience preferred

## Compensation & Benefits

- **Hourly Wage:** \$32.50–\$35.00/hour (commensurate with experience)
- **Health Coverage:** Co-pay Health Plan (medical, dental, vision)
- **Retirement Plan:** Future access to company RRSP plan
- **Paid Time Off:** Paid vacation and holiday leave
- **Schedule:** Monday to Friday (day shifts only)
- **Work Environment:** Supportive, professional laboratory setting with long-term stability
